

Aloha Camp Packing List

While many items on the packing list can be purchased anywhere, the uniform store is the only place to buy logo items. We pride ourselves in creating a space where campers can live simply in nature. Please try to avoid packing non-essential items such as tent decorations, unnecessary amounts of clothing, etc.

We find that extra "stuff" around camp clutters up tents and distracts campers from their experience here. Please label EVERYTHING — with permanent marker or clothing tags/stickers. Make a checklist of everything packed and tape it to the inside of the trunk lid. This will help to make sure belongings come home at the end of the session.

Please see our website for uniform and trunk vendor information, packing tips, FAQs, rental options, and more!

THINGS NOT TO BRING TO ALOHA:

- Electronics of any kind, including cell phones, electronic games or toys, digital cameras, iPods, Kindles, etc.
- Gum, candy or ANY other food items.
- Clothing with school emblems or written messages
- Extra "stuff" — large stuffed animals, large toys, sets of drawers, storage boxes, bean bags, folding chairs, extra pillows and throw rugs, Magic cards or other games
- Excessive amounts of non-uniform clothing, personal products, makeup, or costumes
- Alcohol, drugs, vapes, weapons, pets, skateboards, hammocks, & motorized vehicles
- Valuables

NOTES:

Bug nets can be a helpful tool for campers who are particularly sensitive to bug bites or experience anxiety when it comes to bugs. However, we have found that campers whose beds are covered by a bug net are less likely to use their bed as a comfortable space to sit and hang out with friends during free time.
