

Head Nurse

The mission of the Aloha Foundation is to inspire people of all ages to learn, explore, grow, and become their best selves.

Position Summary

The Head Nurse is an employee of the Aloha Foundation, assigned to work primarily at one of our three overnight summer camps (Aloha, Aloha Hive or Lanakila) and is responsible for the safe and healthy operation of their respective health house, the supervision and management of staff, the ongoing relationship with our covering pediatricians, and the overall health of the summer camp community.

Key Responsibilities

- Overall management of a health house serving approximately 200-250 children and adults.
- Precise management of prescribed, OTC, and standing order medications.
- Coordination of care between home and camp providers, and skillful communication/collaboration of resident camp staff.
- Develop and implement nursing care plans while monitoring healthcare and maintaining health records.
- Implementation and adherence to all national, state, local and Aloha Foundation COVID19 procedures and guidelines which may include involvement in testing, mask wearing, social distancing, and “bubbling” with your specific camp community.
- Management of 3-4 health care assistants.
- Collaboration with other health house teams for cross coverage and community health.

Requirements - Knowledge, Qualifications, Skills, Abilities

- Valid Vermont Registered Nurse License (or eligibility to obtain one).
- Desire to actively participate in a summer camp community of children and adults.
- Experience with electronic medical records and computer proficiency.
- Good communication skills with both adults and children (e.g., campers, parents, camp staff, and other medical providers).
- The ideal candidate will be hard-working, enthusiastic, have a good sense of humor and be interested in being an active participant in the summer camp community.
