

Health House Assistant

The mission of the Aloha Foundation is to inspire people of all ages to learn, explore, grow, and become their best selves.

Position Summary

The Health House assistant is an employee of the Aloha Foundation, assigned to work primarily at one of our summer camps (Aloha, Aloha Hive or Lanakila) and is responsible supporting the safe and healthy operation of their respective health house and the overall health of the summer camp community.

Key Responsibilities

Under the guidance of a head nurse and nursing supervisor, responsibilities include:

- Basic first aid and assessment skills.
- Clinical documentation.
- Good communication skills with campers, camp staff, and medical providers.
- Organized and able to follow delegated tasks.
- On-call overnight requirements to assist with sick campers in the infirmary.
- Implementation and adherence to all national, state, local and Aloha Foundation COVID19 procedures and guidelines which may include involvement in testing, mask wearing, social distancing, and “bubbling” with your specific camp community.

Requirements - Knowledge, Qualifications, Skills, Abilities

- The ideal candidate will be 21 years of age, though candidates over 18 years old may be considered.
- Comfortable living and working in a 7-week sleep away camp setting, including being an active participant in the camp community.
- Hard-working, enthusiastic, and committed to the safety and well-being of campers and staff.
- Friendly, with a good sense of humor, because sometimes you just have to laugh!
