

HIVE CAMPER PACKING LIST

The goal of our uniform is to eliminate any preoccupation with style and brand of clothing, especially as it plays a part in creating power and prestige. Within the camp community, we want to focus on what is really important and to minimize what is not.

GENERAL INFORMATION

LABEL CLOTHING

Everything must be labeled clearly with a permanent marker. Please use last name and first name (or initial of first name). We have over 200 people on camp property, all wearing and using the same kind of clothing and accessories.

REQUIRED UNIFORM

Hive campers wear Aloha-green shorts & Hive logo shirts or plain grey shirts, with Aloha-green sweatshirts or fleeces. Aloha-green sweatpants or blue jeans are also allowed. Uniform items may be purchased from our vendor or from other sources. Uniforms with our old logos are allowed this summer, however we will be requiring all shirts have the new logos in 2023.

ALOHA-GREEN COLOR

Aloha-green is an evergreen – a deep forest green shade. Please see our uniform store for examples. (It is not olive, lime, mint, bright green, or other green shades.)

GREEN SHORTS

Looking for a different style of green shorts than the Softe brand carried by our uniform store? Here are two options with longer cuts:

UNIFORM STORE

Clothing and other items may be ordered online from Bendinger, our uniform provider: bendingerbrothers.com. While many items on the packing list can be purchased anywhere, the uniform store is the only place to buy logo items. Bendinger offers last-minute ordering (up to two days before camp), can ship items right to camp, and will be on site on June 24 to assist with exchanges and deliver last-minute orders.

RENTAL CLOTHING

Rental clothing packages are available. Please check your camp's web page for more information.

LAUNDRY SERVICE

Please note laundry goes out once a week and the full process takes three days. Therefore, please bring enough clothes to stay clean for 10 full days and a laundry bag to hold dirty clothes when laundry is being done. The camp laundry is a high-volume operation.

ALL TOILETRIES: soap & dish, shampoo & conditioner, toothbrush & paste, deodorant, menstrual products,* etc., PLUS a COMPACT container to keep everything in — storage space is limited. Example shower caddies here: tinyurl.com/yhpyxks5 and here: tinyurl.com/5cahuk8p

* **Campers who menstruate** should have their own products to keep in their tent that are the brands and style they prefer. All of our bathrooms away from the tent field are equipped with pads and tampons that they are invited to use so that they don't need to worry about carrying supplies around with them, or racing back to the tent in between activities. Our health house also has an ample supply of menstrual products. For campers who have not started menstruating but might start at camp, we have pads and tampons available. Our nurse and health house assistants are also more than happy to answer any questions, handling situations with sensitivity and discretion.

OPTIONAL ITEMS

We pride ourselves in creating a space where campers can live simply in nature. Please try to avoid packing non-essential items such as tent decorations, unnecessary amounts of clothing, etc. We find that extra "stuff" around camp clutters up tents and distracts campers from their experience here.

- 1 **Duffel bag** *for whatever doesn't fit in the trunk*

Small backpack

- 1 **Sleeping bag** *stuffed, not rolled*

- 1 **Poncho** *for use on trips and as a cot covering for rainy days*

- 1 **Bandana** *available for purchase at camp*

- 1 **Simple jackknife**
not spring-loaded or assisted, max 3" blade

Camera with extra film & batteries

Nail polish is often a fun thing for campers to share

Bring a favorite book to donate
used, in good condition, for the Hive library!

Bug net, to put over your bed
Bug nets can be a helpful tool for campers who are particularly sensitive to bug bites or experience anxiety when it comes to bugs. However, we have found that campers whose beds are covered by a bug net are less likely to use their bed as a fun hangout space.

THINGS TO NOT BRING TO HIVE

Electronics of any kind

Including cellular phones, computers, electronic games or toys, video or digital cameras, electronic address books, CD players, iPods, Kindles or other electronic book readers. Good books are a healthy substitute!

Gum, candy or ANY other food items

We do not allow food in the tents, as it can attract unwanted critters. Please take time to be sure these items are not in the trunk.

These are not part of the camp uniform.

Large stuffed animals or toys, sets of drawers, storage boxes, bean bags, folding chairs, extra pillows or throw rugs, Magic cards or other games.
