

## Lanakila Bridger Packing List

While many items on the packing list can be purchased anywhere, the uniform store is the only place to buy logo items. We pride ourselves in creating a space where campers can live simply in nature. Please try to avoid packing non-essential items such as tent decorations, unnecessary amounts of clothing, etc.

We find that extra "stuff" around camp clutters up tents and distracts campers from their experience here. Please label EVERYTHING — with permanent marker or clothing tags/stickers. Make a checklist of everything packed and tape it to the inside of the trunk lid. This will help to make sure belongings come home at the end of the session.

Please see our website for uniform and trunk vendor information, packing tips,

FAQs, rental options, and more!
