OHANA FAMILY CAMP PROGRAMS CANCELLED FOR SPRING 2020

In accordance with Vermont legislative orders and national recommendations for stopping the spread of COVID-19, we have cancelled all on-site programming at Ohana Family Camp for the spring season. This includes Memorial Day Weekend family camp.

The summer season is uncertain at this point. We are monitoring the situation and anticipate being able to share a decision with you around May 1. We will post any updates on our website here:
