

Horizons Day Camp Lost and Found Policy

It's our goal to have campers take all their belongings home with them at the end of each day. Sometimes we find orphaned articles of clothing or other possessions looking for their owners. Here's what happens with lost and found items.

- Any excessively dirty or wet items, single socks or undergarments will be discarded.
- We'll store lost and found items at the camp for a maximum of 10 days after each session except for the last session when items will only be kept until the last day of camp.
- If we do not receive a request for the item within 10 days, it will be discarded, used for camp or donated.

How do I get my stuff back?

If you've left something at camp, here's how to get it back: Contact camp as soon as you notice the item missing. Give us a call (802) 333-3450 or send an email to: camphorizonsoffice@alohafoundation.org. Give a description of the lost item, and your camper's name.

To avoid losing items, we highly recommend labeling all your camper's personal belongings.
