

Lanakila 100th Reunion Song - “Sing for Lanakila (100 Years)”

Directions for contributing to our “group sing” of the song:

- 1) Access the [100 YEARS \(Lanakila\)](#) folder containing an mp3 recording and lyric sheet (and sheet music, for those interested).
- 2) Use a device to listen to the mp3 (in headphones, please!), and another device to make a voice recording of yourself singing along.
- 3) Don't worry whether you find your singing to be "good" or "bad". When we put all the voices together, it will be beautiful. Sing loudly or sing quietly... whatever works for you.
- 4) During the rap/chant section you can join in, or chant "Shh / Chug", or skip it altogether.
- 5) When there are harmonies, sing whichever part is easiest for you.
- 6) When you are finished, upload your recording into the [Your Voice Here!](#) folder
