

Hulbert Outdoor Center Instructor

The Hulbert Outdoor Center provides experiential education programs to people of all ages. Our programs focus on teamwork, character and leadership development, communication, community building, fun, and a deep appreciation for the outdoors. Our beautiful 400+ acre campus provides an ideal setting for exploration, risk taking, skill development, and learning.

This is a seasonal position, August 25 through November 22 (with the option to extend). Room and board is available.

Position Summary

Hulbert instructors have the opportunity to help each participant group learn ways to work better together, lead effectively, and build positive and healthy communities. Daily work may include leading games and team building challenges, facilitating high and low ropes courses, walks and hikes, recreation activities, and more. The role also includes setting up and resetting spaces before and after use. We are a vibrant community of talented and dedicated staff.

Current programs include day and overnight options for school, college, and adult groups, school vacation camps, after school programs, family camps, and community service programs. Program operates during the school-year, offering seasonal employment in the spring and fall. Instructors are provided room and board on campus.

Hulbert provides training in all elements of our programming including team building facilitation, group processing, and high and low ropes course facilitation.

Key Responsibilities

- Teambuilding and leadership development.
- Group facilitation for school and adult group challenges and activities, natural world education, recreational activities.
- High and Low Ropes Course facilitation.
- Program support and hosting for weekend programs and retreats.
- Developing positive sense of self and strengthening connections to each other, communities, and the outdoors.
- Teaching through experience.
- Lesson planning and group management with possibilities to develop curricula and other advancement opportunities.

Requirements

- Strong commitment to educating children and communities.
- Education or experience in education, teaching, or environmental education, is a plus.
- Experience working with children preferred, particularly in a teaching or counseling capacity.
- Wilderness First Aid certification (preferred).
- Valid driver's license and clean driving record is desired, but not required.
- Ability and desire to work positively and productively during long hours with children of diverse ages and abilities, outdoors in varied conditions.
- Willingness to take on varied tasks that support the program.
- Willingness to be flexible and to adapt your energy and work to meet the needs of the program.
- Mastery of all levels of training on the Hulbert Ropes Course and essential Hulbert program elements is required.

About the Aloha Foundation

The Aloha Foundation is a Vermont-based non-profit organization that provides summer camps, family camps and education programs emphasizing simplicity, the outdoors and living in community. Our programs serve a range of campers and participants from children to older adults, individuals, groups, and families.
